LB 34

SENATOR MARESH: Well I suppose it would be case by case. I imagine they would first come on a visa and then apply for citizenship if they were interested in staying. They would be regulated by immigration regulations in that respect.

SENATOR KAHLE: In other words, they would have to be legal aliens if they were here? They would have to have some sort of visa or something to show that they were... Thank you.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker, I move the previous question.

SPEAKER MARVEL: Are there five hands? Okay. The question is, shall debate now cease. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.
